

3/1/2011: PRESS RELEASE: FRANCO'S CAFÉ IS NOW FRANCO'S GAE LIC & GARLIC. An Irish American couple teamed up with a Jersey Sicilian and his British bride to save Franco's Cafe from the wrath of economic business closures in Michigan. The result is Franco's Gaelic & Garlic. Chef Franco still cranks out that flavorful traditional Italian in the dimly lit dining room and the separate bar area now boasts Guinness on tap and a corned beef and cabbage with red skin potatoes entrée. Order from either menu on either side. A perfect solution for the Irish or Italian enthusiast within us all. Don't miss out on a Black and Tan or an order of Fish 'N Chips served with malt vinegar. We also feature Killian's Red and Harp!
